Bring your Grandparents to School Morning- Friday 24th January

Dear Parents and Carers,

We would like to invite Grandparents into Class R on Friday 24th January 2024 from 9am until 10.30am. The children will be asking them questions in small groups about what it was like going to school, what toys they played with and what were their favourite games. Due to space restrictions in the classroom we would request that no more than two grandparents attend per child.

If the Grandparents could also bring a copy of a photo of them as a child then that would be fantastic. We can photocopy originals and hand them back on the day if that helps. In addition, if they have anything that they would like to share with the class, such as toys from when they were younger, then please feel free to bring them in and they can do a 'show and tell'!

If your child does not have any Grandparents that are able to attend, then please do not worry. They will be working in groups and so they will not be left out.

We know the children will love hearing all of your stories and we hope you will be able to support us in bringing their learning to life.

If you are able to attend please let us know by returning the slip below.

Thank you as always for your continued support.

The Class R Team.
