Mrs Jackie Wright B. Ed (Hons)

Dear Parents,

We are delighted to offer the CREST Awards, in cooperation with the British Science Association, to pupils in Year 3 and 4. The club will be starting Tuesday 14th May from 3.30pm-4.30pm.

About CREST Awards

CREST Star and SuperStar Challenges are aimed at primary school students aged 5-11 years. Students solve eight one hour science, technology, engineering, and maths challenges. The activities support pupils to solve real life STEM challenges through practical investigation and discussion. By using colourful and exciting characters, the awards draw children into the world of STEM discovery and help them identify science in their own lives. CREST gives young people aged 5-11 the chance to choose their own subject and methodology for their hands-on investigation.

We must emphasise that these Awards are student-led and not teacher led. We will facilitate some of the activities after school, but some may have to be completed at home.

Regards,

Mr Waterhouse

CREST Awards Reply Slip (Club Start Date: Tuesday 14th May)

Child's Name: _____ Class: _____

I would like my child to be involved in the CREST Awards
and I understand that this is pupil-led investigation work.
